CD/DVD Printed Wallet Specs

Please supply finished CMYK artwork (for PC) at least 300 dpi as:
JPEG, TIFF, EPS, PDF, AI, PSD or INDD format on disc or email (only if < 3MB) to: art@advancedgroup.com.au

If supplying flattened artwork, please supply a high res version without keylines/masking along with a low resolution version with keylines/masking. Also indicate the colour process including whether or not it is to be printed with a standard white base (eg CMYK + Std whitebase, CMYK no whitebase, PMS 485 PMS 360 + Std Whitebase, PMS 285 + Custom Whitebase etc)

When supplying files please include job title and PO number in the filename to prevent any unnecessary delays (eg PromoCDart_PO0023.pdf not CD Art.pdf)
